- Blast Resistant
- Bullet Resistant

**Major Projects in the UAE** - Photographs of some of our projects are included in the following pages.

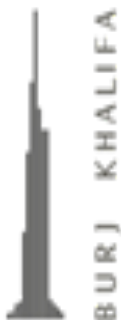

**Major Projects in India** - T2 at Mumbai International Airport : Installation of GFRG and Dichroic Glass. This project was undertaken by us in the name of our Indian entity, Shamel Projects India Pvt Ltd.

All the Managerial, Supervisory & Technical Staff and Technicians were brought from the UAE and Oman while the supporting staff were recruited locally in India. Overcoming several challenges involved in executing such a project at a busy, functioning airport, we have succeeded in completing the project within the agreed time-frame.
